To whom it may concern,

I confirm that we have dealt with Advertising Company and manufacturer ORIGINAL group since 2007, during which time they provided our business with excellent support in the areas of advertising consulting, designing, constructing, and manufacturing of advertising product, also applying aftersales service. During our joint work ORIGINAL Group Company has proved to be very knowledgeable and professional in their field of business, delivering very fast, high quality services and great ability to negotiate mutually acceptable terms for parties.

Through the years, Original group has been on time and on budget with their projects for our company. I can confidently recommend Original group as a solid and reliable supplier, and experts in their field.
